PUBLIC PARTICIPATION

In normal circumstances, members of the public are welcome to address the Meeting in the public forum. Whilst Market Weighton Town Council still supports the rights of people to do this, during the current crises relating to COVID-19, for health and safety reasons, and ensure physical social-isolation guidance can be followed, meetings will be held digitally via online video technology. Members of the public are welcome to join the meeting via the link on the Town Council's website homepage.

RECORDING OF MEETINGS

This council supports the right of anyone to record this meeting but advises that anyone so recording cannot disrupt the meeting, by means of the recording, and expresses the hope that the person (or persons) carrying out the recording have obtained the necessary legal advice, for themselves, to ensure they understand the rights of any members of the public who may be present who do not wish to be filmed or recorded. The Public Participation period is not part of the Council Meeting as such and legal advice should be taken as to the recorders rights to make recording during that period.
