**8. TO DISCUSS THE HOLME ROAD CEMETERY, ISSUES REGARDING THE CEMETERY HOUSE AND PROGRESS ON THE LAND AT THE REAR OF THE CEMETERY**

Cllr Cary updated Councillors on work being done. Pictures of the area were handed round.

**9. TO DISCUSS THE LONDESBOROUGH ROAD CLOSED CEMETERY / WILDLIFE SANCTUARY**

Cllr Cary reported that a Consultant's Report was needed before the application could be validated. Report would be between £500/£600. This Consultant would advise on what trees would need cutting down. Councillors agreed that two another quotes be got to make a comparison. Proposed by Cllr Cary and seconded by Cllr Townshend that the Town Council get quotes for a report (agreed addition by Cllr Stellings that this should be a fixed quote). Voting was 8 for and 4 abstentions. AGREED. All consultants to be asked to give the fixed price to the Clerk. Clerk to write again to Mr Collins to keep him updated.

**10. TO DISCUSS ANY ISSUES REGARDING THE HOLME ROAD ALLOTMENTS FROM THE ALLOTMENT REPRESENTATIVE, ALLOTMENT ASSOCIATION OR ALLOTMENT HOLDERS**

The representative had tendered his apologies so there was no report. The Clerk stated that only 4 fees were outstanding now – one promised to pay by Friday, one to contact this week and one that may give up, nothing had been heard from the fourth one whatsoever. After Thursday these would be passed to the Allotment Association for checking if the allotment was being used.

**11. TO DISCUSS LAND BOUNDARY TREE ISSUES AND GUIDANCE ON SOLUTIONS**

Cllrs discussed making standard wording for planning applications to allow adequate space from boundary of existing trees so not to cause problems. Cllr Rudd stated that Planning does take this as a consideration when homes are built. Cllrs agreed to this standard wording due to complaints received. Residents can cut their side but are sometimes not satisfied with this and have stated overhanging trees are causing 'a risk to life'.

**12. TO DISCUSS THE POSSIBILITY OF AN EXTENSION OF THE COUNCIL CHAMBERS AND ANY NECESSARY QUOTES RECEIVED**

Discussion was around two buildings that had been looked at in the area with a view of moving premises to somewhere more suitable for the Councils current needs. Comments as follows: DC – should not lease purchase only. NC agreed purchase only and suggested writing to see if the current lease holders could be released. FT – thought an expression of interest should be put in. SK – thought yes to an expression of interest but that a survey was needed. NB – if confirmation to purchase was received could Barclays be approached to see if they could offer some assistance as a gesture to the town. PH – thought should make an offer to purchase subject to a structural survey and finance being available. PS – agreed need to buy and not lease and that a structural survey was essential. After a general discussion it was unanimously AGREED that an offer of £250,000 be put in subject to a structural survey to ensure internal works needed were viable and finance being available and also to find out what costs may be involved in the internal work.

It was further agreed that alterations and other work planned be deferred until a decision is made regarding other premises.

**13. TO DISCUSS INFORMATION RECEIVED FROM EXELL REGARDING ANPR CAMERA AND IP SOLUTIONS AND QUOTES FROM TWO OTHER COMPANIES**

On hold due to possible move and cost of moving current CCTV. Clerk would inform Companies who quoted.

Signed by the Chairman

**14. TO CONSIDER RECOMMENDATIONS FROM COMMITTEE MEETINGS HELD SINCE REGULAR MEETING**

**Planning and Amenities Committee – 25<sup>th</sup> January 2017**

The following recommendations to full council were requested:

- that Clubley's, Hornsey's and English's be contacted in order to do a Valuation on this property before any decision was made about repairs to it

**Personnel Committee – 1<sup>st</sup> February 2017**

The following recommendations to full council were requested:

- a £100 gift voucher be sent to the current handyman for all his hard work over six years
- (*Ernlca advised LG Act 1972 section 111 covers*)
- the adverts for the handyman and town clerk vacancies be put out as discussed

After discussion Councillors AGREED to both the above.

**15. TO CONSIDER APPLYING TO THE ERYC FOR A ONE WAY EXTENSION OF STATION ROAD ONTO HALL ROAD**

Discussed possibility of having a one way system due to the narrow road and use of community hall – cars would go up Station Road but out of Hall Road. Pictures sent round and ownership of land discussed – it was thought viable as the 'roadway' was previously used as vehicular access to the original station. It was agreed that the question be asked.

**16. TO RECEIVE REQUESTS FOR GRAVE RESERVATION**

There were two grave reservations. As the resident had been in that day to pay the Clerk had signed the paperwork to give to the resident

**17. TO RECEIVE AND AGREE FINANCIAL REPORTS**

## **22. TO DISCUSS ANY RELEVANT COMMITTEE AND COMMUNITY ISSUES**

**Cllr Hemmerman:** Mentioned pot holes at Langdale Road; another councillor mentioned the pot holes on the junction of Londesborough Road and Goodmanham Road. The Clerk was asked to report these. The Clerk stated that all reports now had to go through the Highways Customer Care Team rather than individual officers.

**Cllr Cary:** Mentioned that Lorries had been seen coming down the High Street to Tesco (*Moran Logistics 10.45 on the 7<sup>th</sup> February last sighting*). Could Tesco be reminded of the weight restriction in the town? Cllr Cary also mentioned that he had received many complaints from residents in the Bedale Road area who were picking up after their dogs but then discarding the bags instead of taking it home to place in their green bin. It was agreed that there were no public bins but this was no excuse for this bad practice. There was a discussion around putting up a camera in the area. The Clerk to report to the dog warden. A Councillor also mentioned that some people were disposing of their dog bags in resident's household bins (often the incorrect one) and again this should not happen.

**Cllr Chicken:** Mentioned that the Market Weighton Town Team Partnership Proms in the Park Event was not going to happen this year. Cllr Chicken also stated that a Nissan Micra had been parked in the car park since before Christmas. The police were aware of it and the owner but as it was private car park (even though used by the public). This car had obviously been in an accident and been left there by the owner. It was agreed that the Clerk write to the owner and state that the car should be removed (no cars to park overnight in the car park) or the Council would have it removed from the car park and the owner would be liable for the costs incurred. The police would then be within their rights to treat it as an abandoned vehicle.

**Cllr Curwen:** Mentioned the rubbish outside the flats at Skelton Crescent again. Most of it due to the fact that the mail boxes were overfilled with junk mail and then opened and spilling out. The Clerk was asked to contact the Landlord. There was also a mention about a resident paving the front of one of the properties.

**Cllr King:** Mentioned that the Community Hall would be 25 years old in November and it was intended to hold an exhibition on Giant Community Day (16<sup>th</sup> July 2017). This would include a stand which showed archive pictures. Cllr King thanked the office for retrieving some cuttings from the scrapbooks held. Cllr King asked who he should contact to be included in the programme. Cllr Chicken (as chairman of the MWTPP) took the information on board. Another Councillor stated that the Civic Society May have some information. Also mentioned were pot holes outside Hungate Court up Spring Road. The Clerk to report. Cllr King also mentioned the Skelton Crescent flats area as on York Road on a night and at weekends cars were seen and occupiers going in and out of the flats. There had been reports of the smell of 'pot'. There was also similar activity through the archway in that area. Clerk asked to report strongly to the police.

**Cllr Botting:** Reported pot holes (only done a year ago) at the top of Hill Rise on the junction with Spring Road. The Clerk to report.

There was a discussion on the Crime Prevention and Safer Communities meeting (attended by Cllr Cary) and the fact this had been going for 50 years this year. A Councillor stated that he used to attend a police liaison meeting until it was disbanded. Unfortunately this meeting could not be sustained due to the constant change over in police officers which obviously affects the crime prevention panel.

## **23. DATE OF NEXT REGULAR MEETING OF MARKET WEIGHTON TOWN COUNCIL**

The next meeting of the Full Town Council of Market Weighton Town Council will be held on **Wednesday 8<sup>th</sup> March 2017 at 7.00pm** in the Council Chamber.

There being no further business to discuss the Mayor thanked Members for their attendance and declared the Meeting **closed at 9 pm.**
