 Chicken (a)
 Curwen
 Hemmerman
 King
 Macqualter
 Peaks
 Rudd
 Smith
 Stellings
 Townshend

Clerk to the Meeting Mrs Lesley-Jane Holt

1. APOLOGIES FOR ABSENCE

Apologies were received from Cllrs Chicken and Botting

2. AN OPPORTUNITY FOR THE PUBLIC TO ADDRESS THE TOWN COUNCIL

There were two members of the public present.

Mr John Speak came representing the Fire Brigade and giving out consultation questionnaire and operational efficiency programme regarding cuts in the fire service in this area. The engagement period was moving on despite a national dispute. A number of proposals had been selected for implementation. The consultation period finishes in January 2014 with the first stage being done in 2015. Mr Speak went through some of the options but did say none of this would be done over night and that retained fire engines would be kept although some old engines would be scrapped. There was a discussion on this subject but Mr Speak did say the cuts were essential as there was no money. Mr Speak also offered to come back with further explanations were needed.

Miss Forbes asked about new housing and wanted to know who was going to live in them all. A Councillor replied that Market Weighton was perceived as a good place to live especially because of the A1079 Hull to York road. There had been many discussions with planners, developers, East Riding of Yorkshire Council and the Town Council.

3. DECLARATIONS OF A PECUNIARY AND NON-PECUNIARY INTERESTS – Members to declare any interest in items on the Agenda and the nature of those interest.

Cllr Peaks signed due to the planning application on Sweep Lane, Cllrs Stellings and Curwen signed due to the Princess Road parking problems.

4. TO AGREE THE MINUTES OF THE MARKET WEIGHTON TOWN COUNCIL MEETING HELD ON WEDNESDAY 16th OCTOBER 2013

It was proposed by Cllr Smith and seconded by Cllr Hemmerman that the previous Minutes be signed as a true copy. AGREED.

5. ONGOING MATTERS AND PROGRESS REPORTS – TOWN CLERK

Folio 6621: The lamp at Harpers and the bollards have still not repaired but it is due to a faulty electric cable which has been reported to YEDL for repair by ERYC. A Cllr also commented on this repair.

Signed by the Chairman

Folio 6623: The War Grave Commission person, Gail Nix, has been contacted by e mail. Unfortunately she is currently on holiday but will no doubt respond on her return regarding the War Graves at Holme Road Cemetery. With regard to historical burial times the SLCC Clerk magazine is running features this month on Closed Churchyards, Woodland Burials, Grave re-use, Cemetery Friends and buying new Cemetery land. The Clerk had not had time to read all the articles and digest them but handed out some information to Councillors re Grave Re-use.

Folio 6623: Christmas Trees – small ones to be erected 26th November (orders being taken 13th November), large cut tree to be erected 27th – 29th November. Rooted tree to be put in 20th November (although to be confirmed) but the handymen have to dig the hole. The Christmas decorations to be put up on the 19th November although the tree will be dressed a little later in the month

Folio 6627:

Directional bollard on Finkle Street has been reported but nothing heard to date.

The burger/tea van did come onto the LPM in October and will appear again in November and December. The Garland Dancers will also appear on the November LPM.

Sancton Wind Farm Money – 2 Market Weighton organisations had benefited. Information for the newsletter was received from Cllr Cary today.

The second container was due to go onto the allotments on the 15th November. This was to be 20' with a window to the right hand side and the handymen has already laid a hard standing

ERYC had been contacted regarding the 'oily' path from the Italian takeaway and Asda but nothing had been heard.

The Clerk also mentioned that the Assistant Handyman had been employed now for over three months and there was no reason why this should be extended to six months as he was working well. After further discussions on the governments initiative suggesting a living wage it was thought this should go to the Personnel Committee and the Mayor is to discuss with the Personnel Chairman.

7. TO CONSIDER HIRING CONSULTANTS FOR THE NEIGHBOURHOOD PLAN PROCESS (CLLR HEMMERMAN)

Mr James Durham from the East Riding of Yorkshire Council had suggested that the Market Weighton Town Council Neighbourhood Plan Group employ Consultants to help with this task. After discussion it was AGREED by all present that this type of paid consultant's fee was not necessary or required.

Signed by the Chairman

8. TO DISCUSS ERYC PROPOSED WAITING RESTRICTIONS ON PRINCESS ROAD

Councillors felt this would be unfair to residents of the area as it would mean they would be penalised and would have to move their vehicles twice a day which would of course inconvenience carers, night workers, sick people etc. It was thought that the onus should still be with the school to provide adequate parking for teachers or at least encourage them to use the Tesco car park - as permission apparently has been given. Teacher parking on Princess Road only compounds the problem. Apparently in some areas there is a drive in, drop off and drive out system for schools - perhaps this could be looked at. Currently it is the period half an hour before school opening and half an hour before it closes that cause the majority of the problems. Councillors were also concerned that the no waiting restrictions were 365 days a year which of course includes non school days. Councillors also thought the bus clear way should be extended as currently it is breaking the law. It was therefore agreed by all that Market Weighton Town Councillors cannot support this suggestion due to the effect on residents and feel that something should be looked at that caters more for the needs of residents. The Clerk was asked to write to ERYC and ask them to attend one of our meetings.

9. TO DISCUSS INFORMATION REGARDING THE POSSIBLE REPLACING THE MWTC HANDYMAN'S VAN

As requested the Clerk gave details of the cost of the van since its purchase. No reply had been received from the accountant with regard to this matter. After discussion the Clerk was asked to find out about the East Riding of Yorkshire Council Lease System to see if we could be included. It was also agreed that this be looked at when the precept was set and that the item be kept on the agenda. The Clerk was also asked to look into the position with regard to the salt stored at KF Supplies to see if this was covered.

10. TO GIVE INFORMATION REGARDING THE POSSIBLE MILL RACE RESTORATION (FROM PLANNING AND AMENITIES)

The Clerk had written to the East Riding of Yorkshire Council and received a telephone call from them. The suggestion put forward was to be given to the supervisor of the Community Payback workers. Councillors discussed the matter and agreed that reinstated this could be quite a tourist attraction as it was thought other upgrades were being made in the area. The Clerk was asked to leave on the Agenda.

11. TO DISCUSS THE HOLME ROAD CEMETERY (INCLUDING THE PROPOSED CEMETERY EXTENSION)

As requested the Clerk had retrieved the map from the Cemetery Attendant and had two copies made. All spaces were to be checked with the records to ensure everything was in order to give a better idea as to how many spaces were left as the Cemetery Attendant had been unable to give this information.

Councillors discussed the letter received regarding the land that was to be used for a cemetery extension. After considerable discussion it was proposed by Cllr Rudd and seconded by Cllr King that as the land was needed the preparation of it could be justified on the precept (and could be dealt with faster than the developers would have dealt with it) that the Council should accept the land in its current state providing there was no cost to the Council. This was AGREED unanimously. There was a short discussion – Councillors were disappointed due to the effort and work over the last 20 years and still no extension was in view. The Clerk was also asked to check on paperwork regarding legal fees as this matter had not gone through. There was also a discussion on looking seriously at filter beds in that area and perhaps planting part of the area with trees etc to make a copse. There was also a query regarding the remainder of the land if the developers were no longer interested. The Clerk was also asked to chase the ERYC (with a copy to Cllr Rudd) with regard to the provision of a cemetery in Market Weighton. The Clerk was also asked to leave this item on the Agenda.

12. TO CONSIDER RECOMMENDATIONS FROM COMMITTEE MEETINGS HELD SINCE LAST REGULAR MEETING ON 16TH OCTOBER 2013

Planning and Amenities 30th October 2013

There were two recommendations to full council that:

- a new spring for the Octopus See Saw be purchased from Playdale Playgrounds at a cost of £205.51 which included delivery but no VAT

Signed by the Chairman

- notice be given on the workshop and on the land where the trailers are kept, that one trailer be moved, one trailer be sold and with the proceeds, along with the savings on rent, that a wheeled vacuum cleaner be purchased.

Both these recommendations were AGREED by all present.

13. REQUESTS FOR RESERVED GRAVES

There were two grave reservation and three signatures were put on by Councillors and the Clerk.

East Riding of Yorkshire

MARKET WEIGHTON **STRONGLY OBJECTS** TO THE APPLICATION FOR THE FOLLOWING REASONS:

THIS APPLICATION DOES NOT CONFORM TO THE LOCAL PLAN FOR MW 13/14

- The Local Plan states that the primary access road should be from Holme Road and the road and a roundabout at the A1079 junction needs to be in place before building commences as per **8.11**
- The potential to achieve a direct connection from the site to the town's waste water treatment works should be investigated, if this is not possible a significant upgrade of the sewer system is needed as per **8.12**
- The whole site should be developed as one **8.13**

In the event that the authority gives permission we request a condition that the sustainable drainage system should be at least capable of withstanding a 1 in 100 year event

IF OFFICERS ARE MINDFUL TO DISAGREE IT IS FELT THIS MATTER SHOULD GO TO COMMITTEE AS MARKET WEIGHTON TOWN COUNCIL WISH TO SUPPORT RESIDENTS IN THEIR OBJECTIONS OF WHICH THE TOWN COUNCIL HAS RECEIVED MANY WRITTEN AND VERBAL OBJECTIONS. 13/11/13

17. TO RECEIVE PLANNING DETERMINATIONS

There were no planning determinations.

18. TO DISCUSS ANY RELEVANT COMMITTEE AND COMMUNITY ISSUES

Cllr Rudd – Mentioned property that had asked for a substantial extension for a 'hobby'. Whilst ERYC had not objected to this industrial sized building it could only be used for private use and would be legally policed as conditions would have to be adhered to and would be monitored by residents and the Enforcement Officer informed.

Cllr King – Asked about claim by a previous employee. The Clerk stated the person had not been an employee and nothing further had been heard for a long time. A complaint about parking on the south side of Cliffe Road near some terraced cottages including the blocking of a ten foot was also mentioned.

Cllr Curwen – Again mentioned the painting of planters, which the Clerk stated was on the list of things to do when the weather was appropriate. Cllr Curwen also mentioned that the planters on The Green had not been done and it was thought something higher should be put in the new planters in the town. A leak on the road at Skelton Crescent was also mentioned.

Cllr Peaks – Mentioned a vagrant in the car park at the Red Lion. Back ground information was given by the Clerk.

Cllr Townshend – Mentioned problems with the pavements at Ash Grove (reported by resident with a buggy), Skip on Holme Road (Clerk to check on this), land at back of Chapel Car Park (Clerk to ask Sue Pegg about this).

Cllr Cary – Asked about the 'bridge' at the back of Asda as felt it was a risk to residents as many were using as a short cut.

Town Clerk – Asked about a request for a tree bracket and Councillors suggested going to the Blacksmith. The Clerk also mentioned that the Lifestyle Group '4 Misses and a Hit' had won an adventure holiday to Wales and an article was to be done that evening for the newsletter.

Signed by the Chairman

Cllr Hemmerman – A public meeting was to be arranged in the Chambers regarding the Neighbourhood Plan and the Clerk was asked to arrange for the information stands to be available.

Cllr Frith – Asked if the Clerk would send a letter of thanks to Sally Mays shop for the wreath provided for the Remembrance Day Service.

19. DATE OF NEXT REGULAR MEETING OF MARKET WEIGHTON TOWN COUNCIL

The next Meeting of Market Weighton Town Council will be held on **Wednesday 11th December 2013 at 7.00pm** in the Council Chamber.

There being no further business to discuss the Mayor thanked Members for their attendance and declared the Meeting **closed at 10.00pm.**
