 Curwen  
 Hemmerman  
 King  
 Macqualter  
 Peaks  
 Rudd  
 Smith (a)  
 Stellings  
 Townshend

Clerk to the Meeting Mrs Lesley-Jane Holt

**1. APOLOGIES FOR ABSENCE**

Apologies were received from Cllr Smith

**2. AN OPPORTUNITY FOR THE PUBLIC TO ADDRESS THE TOWN COUNCIL**

There were no members of the public present.

**3. DECLARATIONS OF A PECUNIARY AND NON-PECUNIARY INTERESTS – Members to declare any interest in items on the Agenda and the nature of those interest.**

Cllr Hemmerman signed the book due to the CCTV system and Cllrs Cary and Rudd signed due to a planning application.

**4. TO AGREE THE MINUTES OF THE MARKET WEIGHTON TOWN COUNCIL MEETING HELD ON WEDNESDAY 21<sup>st</sup> AUGUST 2013**

It was proposed by Cllr Townshend and seconded by Cllr Curwen that the previous Minutes be signed as a true copy with one amendment that Cllr Hemmerman did not attend the drop in (item 2 Folio 6595). AGREED. Cllr King also asked about the CCTV item on the agenda. The Clerk explained post item 37 (Folio 6598) had created a problem with the CCTV contractor and she had been asked to put on this agenda by the Mayor for discussion (see item 10).

**5. ONGOING MATTERS AND PROGRESS REPORTS – TOWN CLERK**

**Folio 6584** – The car park lining was due be done on Friday 6<sup>th</sup> September but due to bad weather this was completed 17<sup>th</sup> September. The Clerk was asked to contact the Pocklington Post in order to inform them that the car park had been re lined and there were now 56 spaces.

**Folio 6584** – The bench for Hawling Road was placed Friday 13<sup>th</sup> September. The Clerk showed pictures of the site. Many Councillors had seen the site and were very pleased. The Clerk was asked to thank Mr Brown, Dave and Steve for their excellent work.

**Folio 6598** – There had been some problems regarding the ordering of the container and it may be that a hard standing area will have to be put in.

**Folio 6600** – Inventory has been received from the Handyman as requested.

Signed by the Chairman

**Folio 6603** – All requested repairs had been reported. Replies had been received about Londesborough Road and Springdale Road and these works were under way. A Councillor stated that the repair needed on Springdale Road had been done.

With regard to the **planter on York Road** this had now been replaced by the Handyman and fixed to the Market Weighton sign to prevent it being pushed over.

As requested Lighting and Signs had collected the **Christmas lights** for inspection - the Clerk showed pictures of some repairs needed and awaited the amount of rope lights that needed to be done – the cost being £9 per metre. It was proposed by Cllr Rudd and seconded by Cllr Chicken that this work be done but that the Clerk to go back to Councillors if the total cost was more than that quoted. AGREED

With regard to **mileage** the Clerk had received a reply from Ernllca about this. The 40p per mile could be increased if all Councillors agreed but they would need to bear in mind the differential may attract tax. After discussion it was proposed by Councillors Rudd and seconded by Cllr Townshend that the mileage remains at 40p a mile. AGREED.

#### **6. TO DISCUSS THE FOOTPATH – MEADOW DRIVE TO THE CLOSE, MANORFIELDS, MARKET WEIGHTON**

This matter had again be chased up and a response received from Mr Stephen Devey from the East Riding of Yorkshire Council which suggested the landowners solicitor had given consent to survey the land which would enable them to move forward with the work and look in more detail at the engineering issues and costs. Mr Devey will continue liaising with both sets of solicitors to keep the matters progressing. Mr Devey asked for the dates of the Regular meeting and has promised to attend one of the meetings in the future to give a formal update. The Clerk was asked to write to Mr Devey with a formal invitation to attend the meeting on the 11<sup>th</sup> December which should give enough time to see some development in this matter.

#### **7. TO DISCUSS CLOSE DOWN OF THE COUNCIL OFFICES FOR THE CHRISTMAS AND NEW YEAR HOLIDAYS**

The Clerk asked about the closure so that staff knew what to arrange with family for the Christmas and New Year break. After discussion it was proposed by Cllr King and seconded by Cllr Rudd that the Town Hall close at lunch time on Christmas Eve and re –open at 9.00am on 2<sup>nd</sup> January as long as there was some litter picking cover by the assistant handyman and cover for emergencies. AGREED. It was also further agreed that this would not effect staff annual leave entitlement. The Clerk thanked Councillors for this on behalf of the staff.

#### **8. TO DISCUSS THE REINSTATEMENT OF THE ASPEN ROAD PLAY PARK EQUIPMENT AFTER THE ENVIRONMENT AGENCY WORK ON THE AREA IS COMPLETE**

A reply had been received from Claire Gould from the Environment Agency with regard to the existing embankment slide which may have to have a slight configuration change or a freestanding slide as a last resort. There was a discussion around the amount of space needed for a freestanding slide and the climbing posts. It was agreed that Councillors would like to see it put back as it had been if at all possible and wished to have input on the decision but they were happy to be guided by the planners. The Clerk was asked to keep the matter on the agenda until it was resolved.

#### **9. TO DISCUSS THE HOLME ROAD CEMETERY EXTENSION**

The Clerk informed Councillors that she had contacted the Solicitor regarding this matter. He was due to go on holiday but had asked his Secretary to check on the information requested. This was not yet forthcoming. It was understood that he would return from holiday on the 23<sup>rd</sup> September. And the Clerk was asked to e mail after that date. It was also mentioned that Fielders had been asked to be interviewed by the BBC regarding burials in the cemetery as they were doing a general programme on space availability in cemeteries.

#### **10. TO DISCUSS THE CCTV SYSTEM AND MAKE DECISION REGARDING REPLACEMENT CONTRACTOR**

The Clerk had been asked to contact the CCTV contractor with regard to the cost of a replacement camera (post item 37 – minutes of 21st August Folio 6598). Unfortunately the contractor had not accepted this questioning and as the contract was due for renewal at the end of August had decided not to continue. At this point the Clerk had contacted the Mayor and Deputy Mayor and it was agreed that other companies be looked into and the Clerk was asked to put as an

Signed by the Chairman

Agenda item for this meeting. Several companies had been contacted. Two requested meetings to discuss the specification and one of those had quoted. Councillors agreed that this should go onto the Communications and Events Agenda for the 2<sup>nd</sup> October so that any decision could then go to full Council on the 16<sup>th</sup> October if at least three quotes were available. There was also a discussion regarding the equipment being moved at the Scout Hut.

ERYC REFUSED THE APPEAL DUE TO SIX REASONS

**19. TO DISCUSS ANY RELEVANT COMMITTEE AND COMMUNITY ISSUES**

**Cllr Rudd:** Regarding the orange cover on the footpath outside 48 High Street – he will try and chase this up with ERYC. The Clerk stated she will also chase up as it had been reported to ERYC some time ago.

**Cllr King:** Through Cllr King, a resident had asked the Council to compliment Dave and Steve on how well the All Saints Church grass and graves looked. Thanks to be passed to them. Cllr King also mentioned a recent ERYC public consultation and assessment of wildlife development over the next few years along the closed Beverley to Hornsea railway (in particular the Market Weighton to Beverley section and the Hudson Way). It appeared the Town Council had not been invited although it holds a lease for parts of the area under discussion. Cllr King also mentioned a Transport Toolkit meeting for Parishes and Town Councils on the 10<sup>th</sup> October at Bishop Burton College. A Councillor said it had been mentioned at a Community Partnership Meeting but the Clerk confirmed nothing had been received by MWTC regarding this matter as yet. Cllr King also mentioned the reports of regular meetings printed by the Pocklington Post which appeared to be the full minutes and he would have preferred that reporters had attended to take notes of the meeting themselves as they had previously. The Clerk confirmed that minutes were only sent to the circulation list (as agreed) once they had been approved.

**Cllr Macqualter:** Reported the Belisha Beacon not working on Southgate on the left of the crossing as you come into Weighton from the Sancton Road roundabout. The Clerk stated this had been reported along with the lamp and bollards not working outside Harpers Fish and Chip shop. The Clerk would chase up again.

**Cllr Peaks:** Thought a letter should go to the Market Weighton School congratulating them on the pupils' uniform as it looked very good. Clerk to write to Mr Chappel.

**Cllr Townshend:** Reported Street light number 3 out on Springdale Road and this has not yet been repaired. The Clerk said she would have this re-reported.

**Cllr Chicken:** Mentioned Alex Wells reply with regard to notices up about ducks crossing and that signs on The Green were adequate. Finkle Street was a main bus route and very busy – the ducks regularly cross Finkle Street to go to The

Signed by the Chairman

Green and Councillors still think warning signs should be put on Finkle Street. Clerk to write again to Alex Wells with a copy to Ward Councillor Rudd.

**Cllr Curwen:** Discussed with Councillors about superfast BT Broadband in Market Weighton with government funding through the ERYC. It was thought the Clerk should send a supporting letter to the Chief Executive Nigel Leighton regarding this although it was thought that they would concentrate on villages as they were very slow.

**Cllr Botting:** Mentioned pot holes Hill Rise still there and getting bigger. Other Councillors also asked the Clerk to re-report other roads that were deteriorating - Goodmanham Road, Croft Close and Wold Avenue.

**Cllr Cary:** Mentioned the chaos caused by the skip outside the Harold Elgey complex especially as builders cars and vans were also an obstruction. The Clerk stated this had been reported twice to the police.

**The Clerk:** Informed Cllrs that she had been able to book Doug Stewart for the Awards Evening. Also that the Paper shop had complained about the bushes in their tubs when everyone else had flowers – could they have some. Cllrs agreed that this could be done. The Clerk also mentioned that the notice board door knobs had been stolen but these were to be replaced as soon as possible.

**Cllr Frith:** Informed Councillors that the Pocklington Post had asked about the Transport Strategy and also that they have received information that the Town Council were killing the ducks – this of course was incorrect and the Pocklington Post was informed of this fact. With regard to post received about the new roundabout being built – this was welcome news to all.

#### **20. DATE OF NEXT REGULAR MEETING OF MARKET WEIGHTON TOWN COUNCIL**

The next Meeting of Market Weighton Town Council will be held on **Wednesday 16<sup>th</sup> October 2013 at 7.00pm** in the Council Chamber.

There being no further business to discuss the Mayor thanked Members for their attendance and declared the Meeting **closed at 9.34pm.**
