Folio 6553 – The petrol card had been applied for and there had been several e mails regarding this. It had now been accepted and would be due shortly. There was a small charge of £7.25 but this was for a period of three years.

Folio 6553 – A meeting with Terry Weaver had been arranged for Friday 28th June at 2.30 regarding the junction at Cliffe Road/Sancton Road. Chris Bown would also be present.

Folio 6554 – To inform Councillors that work on the war memorial playing fields path has been commenced.

Folio 6560 – Pot holes in the market car park have been repair by ERYC but the previous work done in 2008 was only guaranteed for a year but Andy Robinson arranged this as a gesture of good will but stated there would be no guarantee with this work.

Signed by the Chairman

6. TO DISCUSS A PROPOSAL THAT MARKET WEIGHTON TOWN COUNCIL REQUEST A RESOLUTION AT ERNLLCA'S AGM re: removal of the name 'Humberside'

There was a discussion about the Humberside area being abolished in 1996 but the name Humberside had not been removed from radio, air ports, sat navs, fire brigade, police etc. This is confusing for business especially those outside the area – it was thought that ERYC still had the option to do this. Apparently North East Lincolnshire don't like this either. After discussion around funds and costs of the name change it was proposed by Cllr Hemmerman and seconded by Cllr Townshend that the Council back ERNLLCA in tabling a resolution to persuade bodies to get rid of 'Humberside' as soon as they can. There was further discussion around this feasibility and despite the fact many thought Humberside (or the Humber region) may stay a vote gave 9 in favour and 1 against so CARRIED. Cllr Hemmerman to liaise with the Clerk for the wording of this resolution.

7. TO DISCUSS ERNLLCA'S RESPONSE TO THE QUERY REGARDING THE COMMUNITY HALL

A Councillor stated that he had asked the clerk to clarify use of the Community Hall as a free of charge use for council business public building and never intended that the Council interfere with the day to day running of the Community Hall. The Mayor stated that Cllr Macqualter was the Councils representative on the Community Hall Committee and though minutes are sent out a report was still required from the representative. Another Councillor stated that correspondence referred to part of a letter and the Clerk was asked to get a copy of this letter. It was further stated that as Custodian Trustees the Council should see the accounts as well. As the Councillor who had brought up this matter was not at the meeting and had requested it to go on the agenda for 24th July the Clerk was asked to ensure this item was left on the agenda.

There was further discussion around: when the Community Hall was first acquired the Council appointed a Committee which was to be completely responsible for everything as the Council wanted nothing to do with it. The Committee charge to make funds to pay for the upkeep. It was thought that if free usage was given this would set a precedent which greatly concerned some as the Community Hall had raised funds for many years to ensure its continuation. There were many community places used in the area and people pay to use these. The Mayor said it was not wrong to ask the question but not sure they should get special treatment. A Councillor asked if they had a copy of the Community Hall Constitution (required by the charity commission). The Clerk said the Lease was the only document she had. It was not known if the Community Hall had got a Constitution. Another Councillor said there were various venues for meetings and thought it might be an idea to look round and see if there was a cheaper option available. A Councillor mentioned with regard to public or council buildings they had a right to get it free of charge and that is why Ernllca had been asked to clarify only. Another Councillor said that before the Community Hall was built it had been agreed that there would be no concessions to anyone – and this has been stuck to all through. One Councillor did state that it had been used for a Civic ERYC event and they had paid the going rate – if they had had a right it would have been free. The Mayor stated the matter should now be deferred to the next meeting to give the absent Councillor chance to respond.

8. TO DISCUSS THE EAST YORKSHIRE TOWN COUNCILS NETWORK MEETING

The Clerk had previously passed round notes of the above meeting prior to the minutes coming out which had now been received by Councillors. A Councillor who had attended the meeting with the Clerk stated that it was a rehash of previous meetings held some time ago and basically it was a group of Councillors and Clerks of parish and town councils talking about matters which affected them. It was stated that the proposal by the group was that 3 would meet with Cllr Parnaby from ERYC and that some would meet with Ward Councillors. At the meeting it had been stated that this would have to go to Councils so that there was official representation on the group. The Councillor that attended asked if it was the wish of all that they continue to be an official member of this body. Our Ward Councillor stated he was happy to work with this group but some things would not be able to be pursued if unachievable, The Mayor added that answers were often from officers rather than elected members. It was proposed by Cllr Townshend and seconded by Cllr Chicken that Market Weighton Town Council belongs to this body at least for the time being. AGREED.

10. TO CONSIDER RECOMMENDATIONS FROM COMMITTEE MEETINGS HELD SINCE LAST REGULAR MEETING ON 29TH MAY 2013

Communications and Events 12th June 2013

It was recommended to full council that:

- ⌚ that an 8ft tree be ordered through Henleys Nurseries as previously discussed and quoted for (purchase and installation) and that this tree to be used as a Christmas tree once it was of sufficient size
- ⌚ The Clerk look into the cost of a replacement banner for the Local Producers Market for the Market Car Park and purchase as it was likely to be under the Town Clerk's limit to spend.

The Clerk was asked to change the am only to the time of the market 8am – 12noon and were happy with the yellow colour as it would stand out more. It was thought that a replacement for the allotment area was not needed at this time.

It was agreed that full council be informed of the following:

- ⌚ that MWTC continue to hold the Yorkshire Day Charity Event at Langlands especially if it falls on a week day and that Councillors, the Clerk and staff should not pay but Ward Councillors, Civic dignitaries and staff partners should.
- ⌚ that the following articles appear in the Autumn Newsletter along with the Editorial:

Yorkshire Day – Cllr M Frith (Mayor)	Scarecrow Event plus pictures if possible – Town Clerk
WMPF Path with picture – Town Clerk	Vixen 101 – Cllr P Stellings
