10. TO AGREE THE MINUTES OF THE MARKET WEIGHTON TOWN COUNCIL MEETING HELD ON WEDNESDAY 29th APRIL 2015

It was proposed by Cllr Stellings and seconded by Cllr Peaks that the previous Minutes be signed as a true and correct record. AGREED.

11. ONGOING MATTERS AND PROGRESS REPORTS – TOWN CLERK

Folio 6890: The order for the defibrillator had gone in and had been paid for. Once this had arrived the money could be reclaimed from the ERYC.

Folio 6891: For information the Landlords Certificate and Report had been received along with the account from the Electrician for The Cemetery House.

Folio 6892: Pleased to report that the notice board 'Perspex' had been fitted by the Company who had originally fitted the board. The Community Shop had kindly donated the money to have this important job done.

Any repairs requested at the last meeting had been reported. The only response so far was that the 'red square' outside the Londesborough Hotel would not be done.

A Councillor asked if a response had been received from the ERYC about bollards outside the Co-op. The Clerk said no but would chase up.

A Councillor also asked if the tree outside the market had been reported as the roots were coming up quite badly. The Clerk said this had been reported but no response received as yet but that it would be chased up.

12. TO DISCUSS EMPLOYING A MARKET ORGANISER FOR THE MONTHLY SATURDAY MARKET

Signed by the Chairman

This agenda item had been requested from the Communication and Events meeting on the 6th May. Councillors discussed this matter as some had never been happy about the use of current staff running the market. It was thought by some that the market could be boosted by a professional market organiser. The fact that the people who organise the Humber Bridge market had been contacted was discussed. Cllr Rudd proposed and Cllr Cary seconded that a full debate should be held – Cllr Stellings asked for an amendment to make this an **agenda** item for the next meeting and that the people who ran the Humber Bridge market could be invited to speak then rather than in the public forum. AGREED. A Councillor had been at the market on Saturday and thought there were quite a few stalls but stallholders had said it was very quiet although regulars were happy with their customer base.

13. TO DISCUSS THE AUTUMN NEWSLETTER AND RELEVANT ISSUES

This agenda item had been requested from the Communication and Events meeting on the 6th May. A Councillor stated that there had been great difficulty with the summer newsletter and pointed out that to go for quality status the Town Council must have a newsletter. Some promised reports had not been forthcoming and it needed several Councillors to write articles. A Councillor asked if this should be reduced to twice a year but Councillors agreed that information going out to residents would then be well out of date. Councillors all agreed that the previous Editor – ex Councillor Frank Townshend – had done an excellent job of the newsletter and thanked him for all his hard work. A Councillor stated that there should be plenty to write about – perhaps going back to Councillor Profiles as many residents had said they did not really know who represented them. At the Communications and Events Committee meeting a ‘Do You Know’ article was suggested which would give a little history of the town especially for new residents. This was considered to be a good idea by most Councillors. It was thought that a new Editor could be appointed at the next Communication and Events Meeting.

14. TO CONSIDER CORRESPONDENCE RECEIVED BY MARKET WEIGHTON TOWN COUNCIL SINCE THE LAST REGULAR MEETING – 29th APRIL 2014
