Councillor Botting
 Cary
 Cashin
 Chicken
 Curwen
 Frith
 Hemmerman
 Johnson
 King
 Peaks
 Rudd
 Smith
 Stellings

Clerk to the Meeting - Mrs Lesley-Jane Holt

1. APOLOGIES FOR ABSENCE

Apologies were received from Cllrs Johnson, Hemmerman and King. Due to apologies from the Mayor Cllr Botting was in the Chair. Cllr Cashin arrived late and apologised for this.

2. AN OPPORTUNITY FOR THE PUBLIC TO ADDRESS THE TOWN COUNCIL

There was one member of the public present but was observing only.

3. DECLARATIONS OF A PECUNIARY AND NON-PECUNIARY INTEREST – Members to declare any interest in items on the Agenda and the nature of those interests.

There were four declarations: Cllr Cary agenda item 8; Cllr Smith –agenda item 19 (land east of 128 Holme Road) and elected to leave the room; Cllr Frith agenda item 19 (land east of 128 Holme Road); Cllr Rudd agenda item 19 (land south of Rosedene) and elected to leave the room.

4. TO AGREE THE MINUTES OF THE ANNUAL MARKET WEIGHTON TOWN COUNCIL MEETING HELD ON WEDNESDAY 18th MAY 2016

It was proposed by Cllr Cary and seconded by Cllr Curwen that the previous Minutes be signed as a true and correct record. AGREED.

5. ONGOING MATTERS AND PROGRESS REPORTS – TOWN CLERK

Folio 7057/7071: The push test for the cemetery had been started and would appear to be quite a lengthy process. Also to let Councillors know that Roan Speck had commenced his Duke of Edinburgh Award project in the cemetery.

Folio 7072: Most of the new Christmas tree lights had been delivered the rest expected in August.

Folio 7072: The new strimmer had been purchased. The Handyman is very pleased with it.

Folio 7078: The Clerk had contacted Russ Smith about the proposed garden behind the Methodist

Signed by the Chairman

church but as he had been representing the Royal British Legion he suggested the Clerk ring Mike and Sheila Griffiths. This had been done and the information passed to the Mayor.

Folio 7078: The Clerk had written to the East Riding about the Holme Road roundabout as requested and a reply had been received – see post item ER12

Everything else should be covered by the agenda.

Cllr Rudd asked to comment on **folio 7071** regarding Ward Councillors report. As Ward Councillor he was used to giving a verbal report and would never do a written report as the Clerk always recorded accurately for the minutes what was said in the meeting. As Ward Councillor he is aware that the ERYC usually informs the MWTC of events but he usually got to know prior to that. He is quite happy not to give a report as he is a busy man but would be happy to continue a verbal report at some other point in the meeting. It was proposed by Cllr Cary and seconded by Cllr Frith that Cllr Rudd continues to give a report in Community Issues. AGREED.

Added after the meeting as an addendum:

On a point of order under folio 7071 Full council agreed at the previous meeting that Cllr Rudd should give a written report or no report at all and under the six months rule Cllr Cary's proposal cannot be allowed at this time. As a town councillor Cllr Rudd must abide by the ruling of the Town Council and as a ward councillor, according to the LGA 1972, he has no status at a town council meeting other than that accorded to a member of the public so cannot use his ERYC status to force any issue. Community issues are for town councillors to discuss and report matters reported to them by members of the public, not to raise ERYC issues. Any disagreement on this point should be included as an agenda item for the next meeting but the LGA is quite clear on both these points. Cllr Rudd has stated therefore that he will not give a report.

6. TO CONSIDER CORRESPONDENCE RECEIVED BY MARKET WEIGHTON TOWN COUNCIL SINCE THE LAST REGULAR MEETING – 18th MAY 2016

The Chairman reminded Councillors that if there was anything they wished to discuss that had not been highlighted to please mention this

ERYC

1. E-Mail Re: Speeding traffic on York Road, Market Weighton Discussed. Thought 5 years between checks was a long time. Now have surgery and more houses in the area which meant more traffic. Police currently monitoring car park so able to monitor increase in traffic. Discussed flashing sign as on Sancton Road and possible cost and funding as it was thought that accident levels would have had to increase for ERYC to do this. TC to write again and copy to DR.
2. Cllr Rudd & Nigel Leighton, Re: Morrisons Utilities working on Southgate, Market Weighton.
3. Parish Council Planning Liaison Meetings 2016
4. Council Tax Discounts & Reductions
5. Princess Road, No ENTRY markings.

7. TO DISCUSS THE HOLME ROAD CEMETERY, ISSUES REGARDING THE CEMETERY HOUSE AND PROGRESS ON THE LAND AT THE REAR OF THE CEMETERY

Cllr Cary stated that the work on the trees was complete without charge to the Council, however in order to remove the roots the company would charge £37 per hour and it would take around a day and a half. There was a lengthy discussion on this as it would appear to be an open ended contract. After further discussion it was thought best if the Clerk wrote to the company setting out the terms as per the verbal discussion – 1 ½ days (12 hours) at £37.00 per hour = £444.00p. Any time that may be needed after that the company were to refer to the office. It was acknowledged that the site would need to be cleared if it was to be used as a cemetery extension. Cllr Cary confirmed that with the removal of brush on the current perimeter between the old and new cemetery there were already spaces which could be used. Cllr Cary also confirmed that the planning application had been put in.

8. TO DISCUSS ANY ISSUES REGARDING THE HOLME ROAD ALLOTMENTS FROM THE ALLOTMENT REPRESENTATIVE, ALLOTMENT ASSOCIATION OR ALLOTMENT HOLDERS

Cllr Cashin as the Council representative reported that he had been unable to attend the last meeting but that he had met up with the Chairman of the Allotment Association to do a follow up from the last inspection. The vast majority were in good condition. There had been a problem with foxes which was being dealt with. Cllr Cashin also confirmed that the containers belonging to the Allotment Association and the MWTTP and been successfully moved. A Councillor asked about 2nd warning letters for those that had received letters last time. The representative was to look into this. Another Councillor stated that there were about 10 problem allotments. In discussion it was mentioned that some had given allotments up but not informed the office and had paid to the end of the year. Allotments holders concerned as seeds from the weeds were being blown onto neighbouring plots. The representative said he would ensure the letters were done and ready to send out in the next four weeks.

9. TO GIVE UPDATE ON THE NEIGHBOURHOOD PLAN (PH)

The Mayor had left a message stating he would arrange a sub-committee (working party) on his return from holiday if this was going to be viable.

10. TO DISCUSS MATTERS REGARDING THE MARKET AND A1 BLOOMS CONTRACT

Signed by the Chairman

(e mail 23rd May MF) (post item G3)

The Clerk stated this had been placed on the agenda of the Planning and Amenities Committee and the following extract from those minutes shows what was agreed at that meeting:

12. TO DISCUSS MATTERS REGARDING THE MARKET AND THE A1 BLOOMS CONTRACT (email 23rd May)

The Mayor had asked for this matter to go as an agenda item as a Councillor had requested this and had also requested a spread sheet showing amounts paid out and received. The Clerk had also been asked to pass this to the meeting on the 15th June as that Councillor was not on this committee. The Mayor had asked for opinions about the market on social media but had received no responses at this time. It was thought that the cost of stalls was too high and they were not the right type of goods albeit very nice for occasions. It was agreed that members present were not against the market at the scout hut. The Mayor to attend at the Scout Hut and let stallholders know this. Everyone discussed the possibility of a meeting with A1 Blooms about the contract but a notice period had been given as appropriate. It was also thought that maybe using the car park as a car park so people visiting the area (and the scout hut market) had somewhere to park which they are unable to do when the market takes up this area. It was felt the amount spent to date could be justified to the electorate as an attempt to keep the market going.

The spreadsheet showing money in/out was passed round to Councillors. The Clerk had tried to contact A1 Blooms as had the Handyman to see if the market was going ahead on Saturday. No response had been received so it had been presumed the market was not going ahead. There was a long discussion on this matter which included stall costs, right goods, residents visiting Pocklington market and general decline of markets. It was agreed that as a Town Council we had tried to run the market without success. A1 Blooms, a professional market organisation, had also had no success despite the first market being successful but obviously the goods were not of sufficient interest for residents to keep coming back. It was reported that it had been a massive leap in the dark to get A1 Blooms in but at least we tried. It was agreed that the Scout Hut market seemed to be going well and filling demand and Councillors wished them well.

11. TO DISCUSS THE SIGNING OF THE PERMIT FOR THE MASSEY MEMORIAL PLAQUE

The Chairman read out the form for the Proposed Erection of a Lecturn for the Massey Memorial as the MWTTP were not being allowed to place this on the wall where Masseys used to be. Unfortunately the ERYC would charge for the placing of the Lecturn if permission was granted but this would be paid for by the MWTTP. After discussion it was proposed by Cllr Peaks and seconded by Cllr Cashin that the Clerk complete and sign the form and return to ERYC so that the Lecturn could be placed. AGREED.

12. TO DISCUSS THE NALC AND SLCC SALARY SCALES 2016-2018 (Agreed by the NJC) (post item G18)

The Clerk gave Councillors the new figures for the pay increases which had been agreed for 2016 and 2017 with recommendation from NALC and SLCC to the NJC. After discussion Councillors thanked the Clerk for the figures but as they had originally agreed to comply with the NJC regulations on wages then this agreement should just go through. With regard to the Cemetery Caretakers pay it was agreed that a Personnel Meeting be arranged to discuss this as he was not subject to the same pay rate due to the house, council tax and water rate being included. It was also noted that in 2017 the Cemetery Attendant would have worked in the Cemetery for 50 years.

13. TO DISCUSS REGULAR FAILURE OF POWER SUPPLY TO SOME CCTV CAMERAS ON THE HIGH STREET AND POSSIBLE REPLACEMENT OF THE POWER BOX AND DISCUSS FUTURE PROOFING WITH HD SYSTEM AS ADVISED BY EXELL.

Due to regular problems on Cameras 3, 6, 9 and 10 PSU Exell had been asked to quote for repair:

To replace the failed PSU would be **£212.49** (plus VAT) although there is at risk of a similar problem reoccurring.

The other recommendation would be to change from 12 volts DC to 24 volts AC reducing the voltage drop over the cable. This involves more work as would need to convert back to 12 volts DC at the camera. This would cost **£352.75** (plus VAT). Proposed by Cllr Smith and seconded by Cllr Peaks that this would be the best option at this time in order to get all cameras up and running. AGREED.

Signed by the Chairman

There had been a mention of mains power to individual cameras but Councillors were not sure this could be guaranteed should there be a change of ownership.

Exell also mentioned future proofing with HD using a 16 channel hybrid DVR and moving street cameras to 1080p with built in infrared. After discussion it was agreed that Exell be asked to attend a meeting to discuss this possibility and the full cost implications so perhaps this could be arranged within a future precept.

Clerk to arrange for Exell to attend the next meeting if at all possible.

14. TO CONSIDER RECOMMENDATIONS FROM COMMITTEE MEETINGS HELD SINCE REGULAR MEETING

Planning and Amenities meeting 1st June 2016

- There were no recommendations to full Council

15. TO RECEIVE REQUESTS FOR GRAVE RESERVATION

There were no requests for grave reservation. The Clerk informed Councillors however that due to the removal of a dividing hedge and fence a new row for burials had been made available in the cemetery.

16. TO RECEIVE AND AGREE FINANCIAL REPORTS

All balances accepted and AGREED.

Signed by the Chairman

17. REQUESTS FOR DONATIONS

There were no requests for donations.

18. FORTHCOMING EVENTS DIARY AND REPORTS FROM LAST MEETING

The events diary was passed to all showing visits done and to be done by the Mayor. The Mayor agreed that all post could be opened in the office and put in his tray if his action was needed. Any items intended for inclusion on the events diary should be sent to the Town Clerk. Invites will automatically be put on the diary list before sending on and only marked 'not attending' when informed. The Deputy Mayor will be asked to attend events if the Mayor is unable to.

A Councillor thought the organisers of the Proms in the Park should be thanked for all their hard worked – a good evening was had by all despite the damp weather.

21. TO DISCUSS ANY RELEVANT COMMITTEE AND COMMUNITY ISSUES

Cllr Rudd: Gave details of recorded crime in the year to April 2016 and comparisons with 2015. Crime was up a little generally overall. The pot holes near the library were on a list to do. With regard to Planning Enforcements in the Wolds Weighton Ward there was one breach of overlooking and this was being reviewed, and Tesco had a loading dock breach.

Signed by the Chairman

Cllr Peaks: Was pleased to state that work had commenced on the area near the printers on Londesborough Road so hopefully this area would be tidied up quite soon.

Cllr Chicken: Mentioned the Giant Community Day on the 17th July. Cllr Chicken also mentioned that ERYC gave plants FOC for Pocklington in Bloom (and Goole) and wondered if Market Weighton could be getting this. Cllr Curwen stated when the Market Weighton in Bloom was in existence no plants were given FOC. The Clerk would look into this.

Cllr Curwen: Mentioned the Northgate Vale pavement again. The yellow paint that had marked some sections had about washed off with the recent rains. The damage to the Red Square near the Londesborough was also mentioned and she was concerned about people falling on it or turning ankles. The Clerk was asked to mention both to Highways and copy Cllr Rudd into the e mail.

Cllr Cary: Mentioned that the car park in Pocklington was being left open again. Cllr Chicken mentioned that there had been a lot of cars in the Market Weighton Car Park over the weekend including a van full of lads. There was a lot of disturbance. Hopefully the police were monitoring this (the Clerk would write to inform the police). Cllr Cary also mentioned that the land next to Britcom was up for sale.

22. DATE OF NEXT REGULAR MEETING OF MARKET WEIGHTON TOWN COUNCIL

The next meeting of the Full Town Council of Market Weighton Town Council will be held on **Wednesday 13th July 2016 at 7.00pm** in the Council Chamber. Cllr Peaks gave her apologies for that meeting

There being no further business to discuss the Deputy Mayor thanked Members for their attendance and declared the Meeting **closed at 9.01 pm.**
