7. TO DISCUSS THE HOLME ROAD CEMETERY, ISSUES REGARDING THE CEMETERY HOUSE AND PROGRESS ON THE LAND AT THE REAR OF THE CEMETERY

Cllr Cary reported that the shed base had been done (using ready mixed concrete which turned out to be cheaper than the original quotes). The shed was now ordered and should arrive Monday ready for installation Tuesday. Part of the area had been screened off and a discussion took place on a memorial area using the fund left by Miss Miles for this purpose. Councillors agreed in principal to this but said that the Committee should meet (DC, PH, JC and SK) to design the area. The area could not be used for burials as it was the site of an old concrete container but the suggestion that the area could be used to sprinkle ashes and small plaques be put up was a good one. It was also agreed that a plaque to Miss Miles be placed on a bench in the area. Cllr Cary also reported that the trees and bushes were due to be lifted by Henleys week beginning 14th November. There was a discussion about a possible path through the new area but it was agreed that funeral directors had been approached and did not mind having to walk over a grassed area (although burials from the back would make it easier). It was agreed that this matter would be left for the time being as only a walkway could be put down in any event.

8. TO DISCUSS ANY ISSUES REGARDING THE HOLME ROAD ALLOTMENTS FROM THE ALLOTMENT REPRESENTATIVE, ALLOTMENT ASSOCIATION OR ALLOTMENT HOLDERS

In the absence of the allotment representative Cllr Cary reported that the cameras had been passed to the allotment association to install – the Clerk to let him have a sign for the area provided by Exell. It was also reported that the gate was now being locked overnight.

9. TO RECEIVE REPORT FROM SUB-COMMITTEE/WORKING GROUP RE THE CURRENT MOWER EXPENSES AND CAPABILITY WITH A VIEW TO POSSIBLY REPLACING IF NECESSARY

Cllr Cary reported that MW Mowers were awaiting a machine that could be used as a demo. The machine identified would be able to do the parish paths.

10. TO DISCUSS COMMUTED SUMS FUNDING FOR EQUIPMENT/REFURBISHMENT IN THE WAR MEMORIAL PLAYING FIELDS

The Clerk had received an e mail from the commuted sums officer and a meeting arranged for 9th November at 10.30 – (LAW, TC, PH and BC) the Clerk to confirm whether this would be on site or in the office. Any other Councillor wishing to be present could they let the Clerk know? During discussion it was agreed that the skate ramp should be a lot bigger possibly placing it on the other side and moving the goal posts. The Clerk also mentioned that the commuted sums application for a new slide in Aspen Play Park had been successful and was awaiting the paperwork.

11. TO DISCUSS THE POSSIBILITY OF AN EXTENSION OF THE COUNCIL CHAMBERS AND ANY NECESSARY EQUIPMENT

The Clerk said a local builder had been to look at the rooms in question and given a quote as a guideline. A Cllr mentioned the survey done some time back for the building in general and several agreed that this remedial work should be a priority rather than an extension for larger chambers. It could be that the council would move premises at some point. It was thought that few members of the public attended and Councillors managed with the space they had at the present. Another Councillor stated there was not enough space when all Councillors were present and thought the extension should be done as well as the remedial work. The place should develop and work should be done to a time scale. Another Councillor agreed this should be a total project. A Councillor thought perhaps it best to get internal work done over the winter. After discussion it was agreed that a Building Committee be appointed – Cllrs Botting, Townshend, Hemmerman, Chicken and King volunteered – a meeting was arranged in the Council chambers for Tuesday 8th November at 2pm. The Clerk was asked to send a copy of the survey to all Councillors.

Signed by the Chairman

12. TO DISCUSS ISSUES REGARDING THE HOLME ROAD ROUNDABOUT

This was discussed as yet another vehicle had gone across it. A Councillor mentioned that there were spray marks in the area and thought additional work was already planned for the roundabout – putting up of additional chevrons directing motorists round it. Most Councillors agreed it was down to speed and thought the possibility of a reduced speed sign may help. The cameras were discussed. A Councillor mentioned that 2 large advertising signs had been placed on a fence at the roundabout (just past the derelict house on the left of Holme Road). Clerk to write to ERYC and ask about the improvements that may be taking place and mention concerns.

13. TO APPROVE CLOSURES FOR THE CHRISTMAS/NEW YEAR BREAK

The Clerk directed Councillors to a short report on holidays for the Christmas/new year break. Councillors agreed that the offices be closed from 1pm on the 23rd December and re-open Tuesday 3rd January. Two members of staff had already booked holidays prior to that due to child care arrangements.

14. TO CONSIDER RECOMMENDATIONS FROM COMMITTEE MEETINGS HELD SINCE REGULAR MEETING**Communications and Events Committee Meeting 19th October at 7.00pm**

There was one recommendation to full council:

- That the Town Council and Staff have a Christmas Meal in December.

The meal was discussed and the only two local venues were discussed along with prices. The Griffin was agreed as the venue – and after discussion the date of 21st December 7 for 7.30 was agreed - the Clerk to e-mail the menu. It was also agreed that all put an amount to the Mayor's charities on the night.

MWTC RECOMMEND APPROVAL BUT WOULD STATE THEY FEEL NO NEW BUILD SHOULD TAKE PLACE UNLESS THERE IS AN UPGRADE OF THE TOWNS SEWERAGE/DRAINAGE SYSTEM DUE TO PROBLEMS BEING EXPERIENCED IN SOME AREAS AND THAT ALL PROPERTIES ARE LINKED DIRECTLY TO THE SEWERAGE WORKS. THE TOWN COUNCIL ALSO WOULD LIKE TO SEE CYCLE PATHS FROM THE DEVELOPMENT IN LINE WITH THE TRANSPORT STRATEGY – 16.06.16.

21. TO DISCUSS ANY RELEVANT COMMITTEE AND COMMUNITY ISSUES

Cllr Hemmerman: Has received complaints about the mess made during the recent ‘overnight’ resurfacing of parts of the High Street. Residents stated they had not been informed and there was a lot of vibration and banging and noise due to traffic backup. Councillors discussed this – it was for two evenings 5.30 to 10.30 it was believed and signs went up on the roadsides. There would be nothing gained by reporting this to ERYC now.

Cllr Rudd: Asked if the Hawling Road bench could be varnished or painted at some point. The Clerk would mention to the Handyman and he would do it when workload allowed and weather was suitable.

Cllr Curwen: Stated persistence had paid off – Northgate Vale path works were now complete as was the ‘Red Square’.

Cllr Townshend: Was happy with the Holme Road path improvements but some residents had said it was a little bumpy.

Cllr Stellings: Been asked by night traders about the cars that race about up the High Street on a Friday and Saturday night. Apparently it was the same group each week – about 12 in a convoy. The Clerk was asked to let the Police know.

Cllr Cary: Mentioned the rubbish on the dual path from Shiptonthorpe to Market Weighton. There was a market weighton bin nearer to town but nothing in the middle of the path where people seem to be disposing of their rubbish (from McDonalds) when they had finished their food. The Clerk to write to the Clerk at Shiptonthorpe to see if a bin could be placed (copy to McDonalds).

Town Clerk: Stated that the Facebook page was now up and running and asked for approval of the wording for the front page. Councillors agreed this. The Clerk had a number of questions as to what would go on the Facebook page and these were clarified.

22. DATE OF NEXT REGULAR MEETING OF MARKET WEIGHTON TOWN COUNCIL
