**1. APOLOGIES FOR ABSENCE**

Apologies were received from Cllrs Chicken, King and Peaks

**2. AN OPPORTUNITY FOR THE PUBLIC TO ADDRESS THE TOWN COUNCIL**

**Ann Marie and Philip Sellers:** Came to listen mainly as have always wanted to hear what goes on and thank the Council for all they do in the town. They would like to see more information in the newsletter regarding visions for the future and building in the area. Councillors stated that all planning and building permissions could be found on the ERYC website.

**Mrs Andrea Nugent:** Wanted Councillors help in writing to the ERYC as she had a fall over a raised drain during the repairs to tarmac on Northgate Vale. The resident had rang the ERYC and got a reference number. The doctor originally informed her that hand/arm was badly bruised but not broken and given painkillers and told to put ice on the area. After a while shooting pains were felt and x rays done – there was damage to the tissue and ulna nerve so Insurance Companies were now involved. The Mayor stated it was not for the Town Council to act upon and this was the responsibility of the ERYC. The Ward Councillor to support if necessary but it looked as if the process was going forward for compensation although the ERYC may feel contractors were responsible.

**3. DECLARATIONS OF A PECUNIARY AND NON-PECUNIARY INTEREST – Members to declare any interest in items on the Agenda and the nature of those interests.**

The following declaration was made: Cllr Cary agenda items 8.

**4. TO AGREE THE MINUTES OF THE MARKET WEIGHTON TOWN COUNCIL MEETING HELD ON WEDNESDAY 2<sup>nd</sup> NOVEMBER 2016**

It was proposed by Cllr Johnson and seconded by Cllr Rudd that the previous Minutes be signed as a true and correct record. AGREED.

**5. ONGOING MATTERS AND PROGRESS REPORTS – TOWN CLERK**

**Folio 7157:**

Regarding traders concerns about cars that race up and down the High Street on a Friday and Saturday night. The Clerk had reported this to the police as requested. The Police asked that traders contact them direct with details each time this happens.

Signed by the Chairman

With regard to the dual path between Shiptonthorpe and Market Weighton; Letters had been written to Shiptonthorpe Parish Clerk and McDonalds. A reply had been received from the Clerk to state there were bins but people were just not using them but she would speak to McDonalds about these concerns.

Further path repairs had been done near the Methodist Church. The lines have been completed on the newly done road area outside the Londesborough Hotel.

The Facebook page was going well and over 2000 views have been made with some mainly positive comments and likes (Councillors to look at Market Weighton Town Council and choose the one with the crest as the profile picture). It was proving to be a good way of letting residents know about events and passing information.

As added information the computer and phone system now appeared to be ok after new wires were installed by KCom. The Clerk and Admin Officer were still finding some things that had not saved due to the problems but this would be corrected in time.

Cllr Cary reported that everything was now being left until the Spring. Cllr Rudd stated he had been to have a look and everything looked good and thought an excellent job had been done – A good asset. The Church was delighted. Cllr Curwen asked that it be mentioned in the minutes – thank you to Cllr Cary for all his hard work. All agreed.

Cllr Cary also asked about green waste – previously this waste has been burnt on the land now being used as new cemetery so would need a new location or somewhere to put waste. A Councillor did volunteer an area but it was agreed there would be too much waste at certain times of the year for this. Discussion on a shredder took place and the cemetery committee asked to look at the cost of this. Clerk to check with ERYC about green waste disposal again.

**8. TO DISCUSS ANY ISSUES REGARDING THE HOLME ROAD ALLOTMENTS FROM THE ALLOTMENT REPRESENTATIVE, ALLOTMENT ASSOCIATION OR ALLOTMENT HOLDERS**

The committee asked that the following be carried out as soon as possible:-

- Obtain two further quotes from builders for the removal of the wall and re-siting of the hot water tank in the upstairs rooms to enable their use as a council chamber.
- Obtain at least two firm quotes for stair lift to be fitted to existing staircase to comply with disability access legislation.

Signed by the Chairman

- Contact suitable companies to obtain a full survey of the roof structure both inside and out with a view to necessary repairs and obtain at least two quotes for same. This follows from survey and photographs carried out by the Handyman
- Contact at least two damp proofing companies, or suitable builders, to advise and quote for necessary measures for north wall to prevent further damage to structure by water ingress.
- Obtain at least two quotes for removal of the concrete path along the north wall, re-laying of necessary drainage and/or French drain and re-siting of the water tap over the existing gully. The majority of the path is currently lower than the gully so does not drain adequately.

After discussion it was agreed that the Clerk obtain these quotes and the matter would be further discussed once the costs involved were known.
