7. TO DISCUSS THE HOLME ROAD CEMETERY, ISSUES REGARDING THE CEMETERY HOUSE AND PROGRESS ON THE LAND AT THE REAR OF THE CEMETERY

Cllr Cary reported on the tree application. Some more information was needed from the suppliers and this was in hand. It looked likely that the funds for this would be granted. Quotes for a shed base were looked at and it was agreed that a 10 x 8 concrete base be put down. Quote for a metal shed with double doors was also discussed and Councillors agreed that this could go ahead as previously discussed from the money allocated for the new cemetery extension.

8. TO DISCUSS ANY ISSUES REGARDING THE HOLME ROAD ALLOTMENTS FROM THE ALLOTMENT REPRESENTATIVE, ALLOTMENT ASSOCIATION OR ALLOTMENT HOLDERS

The representative Cllr Cashin discussed coming off the Planning and Amenities Committee as he was unable to commit at this time. After discussion it was agreed as the matter was dealt with by the Regular Meeting it need not be put on the Planning and Amenities meeting agenda. Cllr Cashin stated that a system was now in place and asked that the Clerk be thanked for her help in this process. Cllr Cashin stated inspections were going well and when they look at them they do not have names just numbers in front of them. He also set out the process which gave a letter for non-compliance of the agreement and four weeks to improve; if no improvement another letter was sent giving four week after which a final (red) letter was sent giving four weeks to clear the plot. Cllr Cashin also mentioned the two break-ins recently. Hopefully better security was now in place – the locking of the gate overnight with a number to get in if needed. The Police had also suggested a higher fence on the perimeter near the gate. Cllr Cashin asked what happened when allotments were cleared and what happened to the goods. The Clerk stated that on instruction the plot was clear from the Secretary of the Allotment Association (AA) these were re-let; the AA took everything off the allotment. These items are repaired and sold on for Association funds. If a plot was seen by a future tenant then all goods on it at that time became owned by that holder unless they did not want it. It was discussed that all new allotment plot holders paid a £30 bond but that bonds were not held for ones that had held them prior to that decision. After discussion it was proposed and seconded that from January 2018 all allotment holders would pay a bond (the Clerk stated that this could not be done from January 2017 as allotment holders would need three months' notice of any changes and this had passed). Cllr Cashin also mentioned ½ plots and C1 for a disabled plot. Cllrs mentioned that A1 was already given to the AA free of charge for people with disabilities but nothing had been done with it. E row was also mentioned. Cllrs stated that it had been agreed a long time ago that when these became vacant they would not be used for plots but the area used for parking as these plots looked unsightly from the A1079 and complaints had been received. It was agreed that the whole standard of the allotments had been improved.

9. TO RECEIVE REPORT FROM SUB-COMMITTEE/WORKING GROUP RE THE CURRENT MOWER EXPENSES AND CAPABILITY WITH A VIEW TO POSSIBLY REPLACING IF NECESSARY

Cllr Cary stated that the week previous he and the handyman had looked at all the parish paths and areas done by MWTC. Some areas were very rough. A Sub- Committee meeting was to be held on Wednesday evening 12th October at 7.00pm. Cllrs to attend were PH, DC and LC. JS also stated she would like to attend.

10. TO DISCUSS COMMUTED SUMS FUNDING FOR EQUIPMENT/REFURBISHMENT IN THE WAR MEMORIAL PLAYING FIELDS

The Clerk had e mailed and rung the Commuted Sums Officer but had received no response. An application for a replacement slide in the Aspen Park had been made but no response had been received. After discussion it was agreed the Clerk try again and if no response contact the Manager of the Department.

11. TO DISCUSS THE POSSIBILITY OF AN EXTENSION OF THE COUNCIL CHAMBERS AND ANY NECESSARY EQUIPMENT

After discussion it was proposed by Cllr Peaks and seconded by Cllr Smith that the old Barclays Bank building on the High Street should not be considered as an option due to the high cost of the Lease.
AGREED.

Signed by the Chairman

After further discussion it was agreed that the Clerk look into costings for knocking the two upstairs rooms into one. The ceiling heights were different but a builder would be able to let the Council know if this was a possibility. The Clerk stated that costs for a stair lift would be around £4,000 and between £13,000 and £15,000 for a home lift.

19. TO DISCUSS ANY RELEVANT COMMITTEE AND COMMUNITY ISSUES

Cllr Botting: Mentioned that the spaces behind the church had now been widened.

Cllr King: Mentioned that the fracking meeting evening for Market Weighton, Sancton and Goodmanham was expected to be in early December - Secretary to write to all and arrange. Cllr Kind also asked if anything had been received regarding a hedge on Spring Road. Nothing had been received.

Cllr Peaks: Noted the plaque was back outside Asda. Mentioned that lorries were coming through the Wicstun Way estate again possibly because the notices were off. The Clerk was to contact the ERYC enforcement officer, Steve Watson, regarding this matter.

Cllr Townshend: Had received a complaint from a resident in her 90's who had tipped her mobility scooter over on Glenfield Avenue corner and broke a bone due to the state of the pavements. This area had been inspected and apart from the dropped kerb area no damage could be found. The Clerk was asked to report it to ERYC Highways to check the area. Cllr Townshend also mentioned that a market trader had been paid a refund owed by the market company but this as yet had not come back to the payee from the market company - The Clerk to look into this.

Cllr Cary: Mentioned that the night shift at Tesco was to finish soon.

Cllr Hemmerman: Discussed small camera that recorded for three months. This was to be an agenda item at the next full council meeting along with detailed information. The Clerk was asked to e mail the information to Cllr Cashin so it could be sent to the allotment association.

Town Clerk: Had heard from the ERYC Highways regarding the area on the junction of High Street and Southgate where the two planters were under the sign near the dropped kerb. Apparently the dropped kerb area had been there many years and the planters were never authorised at each side of it. ERYC were ok with both planters being under the sign and had suggested they be pushed together to look like one. The Clerk also asked if anyone was attending the Ernllca Annual Conference. Cllr Cary was to attend for Sancton and would also bring back notes for Market Weighton as no one else could attend.

Cllr King: Had contacted the Clerk with regard to placing a notice board on the side of the Londesborough Road toilets - permission had been received from the ERYC - but he was unable to put the notice board up alone. He wished to thank the Handymen for doing this task that took about ten minutes. The Community Hall was very grateful.

20. DATE OF NEXT REGULAR MEETING OF MARKET WEIGHTON TOWN COUNCIL

The next meeting of the Full Town Council of Market Weighton Town Council will be held on **Wednesday 2nd November 2016 at 7.00pm** in the Council Chamber.

Cllr Smith gave her apologies for that meeting.

There being no further business to discuss the Mayor thanked Members for their attendance and declared the Meeting **closed at 8.55pm.**
