Families wishing to erect a headstone or monument should submit their proposed design to the Town Clerk for approval via their funeral director or a stone mason. If the Town Clerk feels that the design or wording is unsuitable, an application will be made to the Full Council for a decision.

Grave spaces are sold to families in perpetuity.

Maintenance of monuments and headstones are the responsibility of the families who erect them and not the Town Council. Headstone safety checks are carried out regularly, and if any monument or headstone is deemed to be dangerous, the family will be contacted. If no contact can be made, the headstone or monument will be laid flat.

The Holme Road cemetery is open daily, and visitors are asked to respect others' peace and tranquillity.

Every reasonable effort is made to ensure the security of the cemetery. No responsibility can be accepted by the Town Council for damage to graves and memorials.

Fees are reviewed annually, and revised fees come into effect from 1<sup>st</sup> April.
